Dear Pamela:,

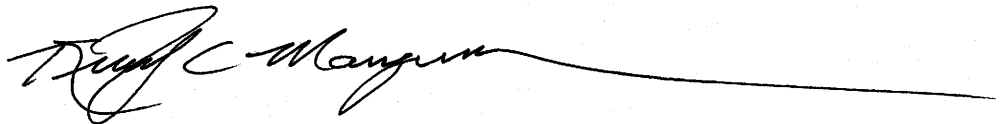

Re: NOV # N92-40-2-1, Roads, Co-Op Mining Company, Bear Canyon Mine,  
ACT/015/025, Emery County, Utah

# 2

Attached are two copies of Plates 2-4C, 3-1, 3-5A and 3-5B. Plan view, profile, and sections are included on plates 3-5 for all roads on site. Plate 3-1 shows cross sections of the site and Plate 2-4C indicates location of these cross sections. Also included are two copies of updated Appendix 3-D and pages 3-vi, 3-6, 3-7 and 3-71. Redundant reclamation information has been removed and proper sections have been referenced.

The copies of the proposed revised plates and pages have been marked "DRAFT" to differentiate them from those previously approved. Four copies will be forwarded to the Division upon receipt of written approval. Please notify me if there are any questions or concerns regarding this matter. I understand that this submittal will allow for abatement of this violations.

Thank you,

Kimly C. Mangum, P.E.
